**HONOR YOUR TEACHERS!**

How much does your Life Group Leader matter? In our Student Ministry the answer to that question is: "more than we could measure". Every leader is uniquely called by God to speak truth into the lives of our students through their Middle School and High School years, which we believe are seven of the most important years of their lives. All of Solomon's gold could never repay our LIFE Group Leaders for the time, commitment and love they share with students, but every so often it's good to give them our love back. On March 29th join us in LIFE Groups as we honor our leaders for all they do to impact the lives of students at Champion Forest. Honor them with your presence and let them know how much they matter and how much you love and appreciate them!
