What is Worship?

Day 1

Memory Verse: Psalm 100:1

A wonderful way to worship God is to read the Bible. I love reading the book of Psalms because they are filled with praises to God! Psalm 100 says the whole earth should shout with joy to God and praise Him! Sadly, the whole earth does not choose to worship God. Many people do not know Him. When we share Jesus with others and obey God, we are doing our part to tell the whole earth about Him!

Pray and think of a friend you can share
Jesus with this week.

Day 2
Read Psalm 100:2.

The Bible says we should worship the Lord with gladness. Have you ever worshipped God when you are mad? It is impossible to truly worship God with an angry heart, because true worship comes from a cheerful spirit.

We can't fool God; He knows our very thoughts and
everything we are feeling all the time!

Draw a picture below of you worshipping God with a happy heart.

Day 3
Read Psalm 100:3.

This verse made me think of my puppy Lyric.

For years I wanted my own dog, and a year ago my husband gave her to me.

She is mine, and I love her!

I love to play with her, cuddle her and just watch over her.

Better yet, how exciting is it that YOU belong to GOD?

The God of the entire universe made you and you are His;
nothing can ever separate you from His love.

He watches over you day and night, and cares for your every need.

Draw a picture of your pet, or a pet you wish you had.

Pray right now and thank God that you belong to Him!

Day 4
Read Psalm 100:5.

A great way for us to worship God is to tell him we are thankful.
You may be thankful for your family and friends,
or for simple, wonderful things like chocolate and sunny days!
Draw below some things you thank God for!

Day 5
Read 100:5.

Forever is a long time. It goes on forever!
The Bible tells us that God's love endures forever.
That means it will never, ever end.

Ever!

He will love you your entire life,
and nothing can stop Him from loving you.
I can't even wrap my head around love that big.

Pray right now and thank God for His great, never ending love for you!
