

**FAITH - LIFE Group Evangelism Training Level 2**  
**Session Six ~ Checking Your Influences**

**Page 86 – 87**

If we believe God is sovereign, ordering events so that our lives intersect with the lives of others at a particular time, then our influence is more than a **responsibility**.

It is a **stewardship**.

*Stewardship* can be defined as **conducting**, **supervising**, or **managing** something for another person.

All of life is a stewardship, and that includes our **influence**.

**Page 88 - 89**

As both a **believer** and a FAITH **leader**, you have influence.

1. Through the way we **lead**

1. **Praying**
2. **Working** hard
3. **Communicating**
4. Maintaining a positive **attitude**
5. **Serving**

2. Through our **networks**

A network is **collaboration** in a structured setting with **like-minded** people for the purpose of achieving mutual **goals**, leading to **fulfillment** for all parties involved.

We are responsible for using our networks to **glorify** God and to **build** His kingdom.

3. Through our **mentoring**

1. Mentors need to know exactly what **goals** they are being asked to help the other person(s) accomplish.
2. There should be an agreed-on **timetable** for the goals of mentoring to be accomplished.
3. All parties need to establish **guidelines** and **expectations** for the mentoring sessions.
4. The mentoring relationship should reach a point of definite **closure**.
