

FAITH - LIFE Group Evangelism Training Level 2
Session Two ~ What It Means To Be A Team

Page 30

Commitment to a common **purpose**

Choosing to **cooperate**

Achieving exceptional **results**

Page 31

Your team members are **committed**.

Everyone has expressed a commitment to be involved in FAITH training to accomplish a common purpose—to glorify God by being faithful to the **Great Commission**.

Every person involved in FAITH **chose** to participate.

FAITH training involves partnering with others so that everyone can improve as a **witness** for Jesus.

You are seeking exceptional **results**.

Only **14** percent of all Southern Baptists will personally lead someone to Christ this year.

Fewer than **half** will even try (45 percent).

You and your team can be the exception to the norm as together you seek to lead people to **Christ**.

Moving a conversation in a certain direction implies intentionality.

The mechanics are not as important as intentionally asking spiritual questions that lead to a conversation about salvation.
