

FAITH Life Group Evangelism Training Level 1  
*Session Eleven ~ Your Role In Kingdom Work*

The early church had a number of unsung heroes who quietly made a contribution to the kingdom of God.

Aquila and Priscilla hosted a church in their home, which became a center for showing Jesus' love to others.

No matter where this couple lived, they made a difference in the lives of others.

They remained faithful to do the work of God's kingdom.

They always found a way to be involved in a church.

They were true heroes because they focused their lives on Jesus Christ.

This focus was revealed by the assistance they provided Paul and Apollos and by their efforts to reach others with the gospel.

Aquila and Priscilla understood what non-Christians were looking for, and they knew how to build a growing church that met those needs.

Two major factors prompted Donna to try a church: a crisis in her life and a relationship with someone who was active in the church.

Donna was immediately drawn to a Bible study.

People want a place where they can:

- discover the truth;
- find connections;
- enjoy a variety of experiences;
