Daily Quiet Time

January 20, 2010

Day 1
Isaiah 40:31

"But those who trust in the LORD will receive new _____.
They will fly as high as eagles.
They will run and not get _____.
They will walk and not grow _____."

When an eagle is flying high in the sky, He can see everything that is around him. He sees what is behind and what is ahead. As we trust in the Lord, He will give us a new hope as we look at our future. He will show us things He would like to do on the inside of us. We can see the way He sees as He shows us plans He has made for us.

Pray

Help me to see the plans you have made for me.

Day 2
Read Psalms 25:9

What does the word humble mean?

When we are humble we put others and God first. What God wants is what is important. When we have that attitude or perspective, He can teach us what is right. He can teach us His ways of thinking and doing. We need to humbly follow Him.

What are some things you may need to put second in order to make God first?

Pray

I do not want to think that what I want is more important than what You want.
I pray you will teach me what is right and show me your ways.

Day 3
Read Ephesians 3:12

In him and through faith in him we may approach
God with _____ and _____.

What does the word faith mean?

Because we belong to God, He gives us the faith we need to follow Him. We know what He says is true. Where He leads is where we should go. Having faith in God, allows us to trust Him completely. We are free to choose Him as our Lord and Savior. We are free to choose to follow Him. We are sure that what He says, He will do.

Pray

I thank you for the faith I have in You. I trust You to save me. I trust You to lead me.
You are a faithful God. I know what You say, You will do.

Day 4
Read Hosea 12:10

In the Old Testament, God spoke to many prophets. A prophet was a man God would pick to take messages to His people. He showed them what was going to happen. They told the people. Today God uses His written Word to tell us how and what He will do. He never changes. We can know that what He has done before, He will do again. The Bible is our prophet vision.

Name a promise in the Bible where we can see that God does what He says He will do.

Pray

You know everything. You show us in Your Word what You are like. You do not change. Thank You for sending Jesus and Your Word to us, so we can know You better!

Day 5
Read Isaiah 60:8

When we do wrong, we separate ourselves from God. He is so happy to see us when we change our minds and come back to Him. We are so happy to come home to God that we are like ships sailing in the clouds. We are like birds flying home to their nest. It is very bad to be away from God. He knows we will sometimes choose not to do what is right. God makes our return flight easy and welcomes us home.

Draw a picture of you returning to God...

Pray

I always want to do what You say is right. Sometimes I do not. I thank You for Your forgiveness and for making it easy for me to come home to You. I thank You, Jesus, for dying on the cross so I can be forgiven.
