Welcome to MOMS...

We ought always to thank God for you, brothers and sisters, and rightly so, because your faith is growing more and more, and the love all of you have for one another is increasing. 2 Thessalonians 1:3

Free childcare is available for children 5 and under. You may check children in beginning at 9:15 (15 minutes before our meeting begins), so that you have time to get to the meeting on time! We have meetings rain or shine...but we know that getting kiddos in from the parking lot when it's raining can be frustrating. So if it's raining, our Titus Moms will be waiting under the shelter of the circle drive of the Kid's building to stay with your children while you park your car. Don't forget to invite a friend; it's going to be a great year!

This year, we will be using the book
"Beautiful Mess" by Sherry Surratt & Tracey Eyster
To facilitate our discussions

OUR SPEAKER: "Scott Riling" "How can I love this mess?"

I am from Orange, Texas. I earned a degree in communications from Lamar University and worked in radio and television during and right after college until being called into ministry. I then earned a Masters in Divinity from Southwestern Baptist Theological Seminary. I first came to Champion Forest Baptist Church in 1986 as the minister of middle school students. I went on to pastor two churches and then returned to Champion Forest in 2004 and served in pastoral ministries and missions. In 2010 I began working in Austin, Texas at the Capitol as a Chief of Staff for a state representative. I am excited to once again be back at Champion Forest Baptist Church as the Director of Communications. My four wonderful kids are Sophie, Morgan, Matthew and Chloe.

NOTES:

Here at MOMS we focus a lot of time talking about teaching our children about God and His power in our lives. However, if you have never made a personal commitment to Jesus Christ as your Lord and Savior, you may not fully understand what we mean. Any of the Titus Moms or MOMS leaders would be honored to talk to you about this at any time.
